

GARAGE DOOR OPENER COMPATIBILITY LIST

The Genie Company Aladdin Connect™ garage door controller is compatible with the models listed below. If you do not see your opener, please check back in the future as other models may become compatible at a later date. Note that some openers need a special adapter. Ordering information for the adapter is listed at the bottom of the page.

IMPORTANT: The Genie Aladdin Connect controller is compatible only with residential sectional garage doors. It is not compatible with one-piece garage doors.

Compatible Genie openers* for Aladdin Connect:

- 1. Genie Series II openers – best identified by the wall console button(s), which is/are a non-black color. This covers the vast majority of Genie openers, including all the currently sold models.**
- 2. Genie Series III openers – best identified by the wall console button(s), which is/are black. If you have one of these units, you will need the special adapter. See ordering information below.**

Other compatible brand openers* for Aladdin Connect (listed alphabetically):

- 1. Chamberlain® (pre-Security + 2.0) – identified by the antenna color, which is non-purple. (If the antenna color is purple, the unit is not compatible.)**
- 2. Craftsman® (pre-Assurance +2.0) – identified by the antenna color, which is non-purple. (If the antenna color is purple, the unit is not compatible.)**
- 3. Linear® – all models compatible.**
- 4. Marantec® – all models compatible.**
- 5. Overhead Door® Series II – best identified by the wall console button(s), which is/are a non-black color.**
- 6. Overhead Door® Series III – best identified by the wall console button(s), which is/are black. If you have one of these units, you will need the special adapter. See ordering information below.**
- 7. Stanley® – all models compatible.**
- 8. Wayne Dalton® – all models compatible.**

*** IMPORTANT: No brand or model of garage door opener made before January 1, 1993 is compatible with the Genie Aladdin Connect controller, as is any opener without safety beams, no matter when it was made.**

SPECIAL ADAPTER: To order the special adapter for Genie & Overhead Door Series III openers, contact your local Genie professional dealer or call Genie customer service at 1-800-354-3643. Please reference Dry Contact Control adapter - part # 38013R.
